THE TWISTED TULIP

## Personal Florist

### Readers' Choice: Mulberries Flowers

Not many florists have passion like Julia Kaaren: Her love for gardening comes from growing up in the English countryside, and she uses many flowers from her own garden in her beautiful arrangements. [Mulberriesllc.com](http://Mulberriesllc.com)

### Editors' Choice: The Twisted Tulip

We always admire arrangements from the Twisted Tulip because they're both surprising and beautiful. And if you're looking for other fresh fineries, they also sell everything from home décor to yummy gourmet fruit baskets. [TheTwistedTulip.com](http://TheTwistedTulip.com)

WE COULDN'T RESIST ASKING INTERIOR DESIGNERS WHERE *THEY* SHOP FOR ONE-OF-A-KIND HOUSEWARMING GIFTS:

"I love Petals of Provence in Edwards. Their flower arrangements are reminiscent of what you see in New York at my favorite shop in the world: Takashimaya."

—Eddy Doumas, owner of Worth Interiors and the Showrooms at Town

"Montecito Loft and Home in Basalt sells furniture, gifts and accessories and is a great place to pick up a unique hostess gift. You can find great serving ware along with unique twists on household goods in bright colors and interesting materials from brands such as Alessi, Iittala and Chilewich."

—Anne Grice of Anne Grice Interiors

"We go to the Highlands [in Denver] and create a gift from the goodies at Mondo Vino and Le Chocolatier. They're a perfect pair."

—France Lavin of France Lavin Design

## Housewarming Gifts

### Readers' Choice: The Perfect Petal

Don't let the name fool you: The Perfect Petal may specialize in flowers, but our readers have recognized the shop—and rightly so—for its wonderfully eclectic and vast collection of gifts for the home. If you're looking for something special, head straight for this boutique in Denver's Highlands neighborhood. The Perfect Petal carries Dovetail ceramics from Kentucky, French and Italian ceramics, decorative plates, lamps and outdoor dinnerware. In addition to the great selection of garden accessories, you'll find books, salt shakers and pepper grinders, contemporary vases, lanterns and furniture. It's the perfect destination for gifts of all flavors. [ThePerfectPetal.com](http://ThePerfectPetal.com)

### Editors' Choice: Gorsuch

Skiing has been a mainstay of the Gorsuch family for generations, and its love for the alpine lifestyle done right is apparent in the company's classic line of clothing, ski gear and housewarming gifts—which we find particularly winsome. Gorsuch's array of pewter and china wares, picture frames, candles and other accessories evokes a traditional European charm while capturing the uniquely Coloradan spirit of fine living in the mountains. Trust us: Every home needs a little warming from Gorsuch. [Gorsuchltd.com](http://Gorsuchltd.com) ▶
